InSeason! Watermelon

Watermelons are mostly water — about 92 percent — but this refreshing fruit is soaked with nutrients. Each juicy bite has significant levels of vitamins A, B6 and C, lots of lycopene, antioxidants and amino acids. There's even a modest amount of potassium.

SUMMER FOOD, SUMMER FEEDING

All meals are served with choice of milk; 1% White Milk, or Fat Free Milk. or Chocolate.

Menus are subject to change due to delivery shortages from our distributors. BCS/USDA is an equal opportunity employer.
